Shilla Almeida, is a young 20 year-old Goan who visited Goa recently and wants to share her experience with Goan Canadian youth. You are cordially invited to come see an exciting POWER POINT presentation on places she visited which most visitors to Goa do not see. Goan wildlife, environmental areas, Goa's Astronomy Society, school for challenged students, and much, much more. It is the best time spent learning about Goa. Do not miss it and tell your family and friends to come. No cost, all ages invited.

Goa Sudharop is an organisation passionate and dedicated towards development of Goa, natures gift to the world. Learn more about Goa Sudharop's goals and objectives at <http://goasudharop.org/node/1>
